LEADING A GROUP IN CONTEMPLATIVE AND REFLECTIVE PRAYER

▪ Reflection

- The opportunity to pause, quiet ourselves and review what is before us and what is inside us
- Non-judgmental way of perceiving in which we become more present to our Encuentro experience.
- We listen to our experience, paying attention to how it is speaking to us and to what is occurring within us and the group.

Leading a Group in Contemplative and Reflective Prayer

- **Prayer**

- A turning toward God through the words we are sharing with an open heart.
- In prayer, we become more aware of God's presence in the Encuentro and we seek a deeper understanding.
- Praying as a group also opens us to a great appreciation of God's presence in our ministry, and inspires us to act as a community.

Leading a Group in Contemplative and Reflective Prayer

- **Contemplation**

- Clearing the mind of outside concerns so that God's voice may more easily be heard and be united with the movement of the Spirit within oneself and the group.
- The necessary silence, waiting to and listening to hear from God.

Leading a Group in Contemplative and Reflective Prayer

■ **Role of the Spiritual Leader**

■ **Leading Group Contemplative/Reflective Prayer**

- Prepare with personal prayer.
- Begin and conclude the gathering with prayer as indicated.
- The first step is slowing down and refocusing attention.
- Speak slowly and meaningfully.
- Be open to being guided into this by the Spirit.

Leading a Group in Contemplative and Reflective Prayer

■ **Role of the Spiritual Leader**

■ Leading a Group in **Faith Sharing**

- The role of the facilitator is one of **listening and encouraging** by inviting group members to participate.
- The facilitator **does not provide answers to personal faith questions** participants might have.
- The facilitator is **not a teacher** who instructs, **nor a judge** who renders verdicts, **or a counselor** who provides spiritual or moral guidance.
- Remind all of the importance of maintaining **confidentiality** so that a trust level grows in the group and all are honored.

FACILITATOR BEST PRACTICES

- Spend time in **prayer** before each session.
- **Read the entire content of each session** before meeting with the small group. Answer questions for yourself and jot down ideas before meeting. Dream.
- Assign adequate **time for the completion of each of the five moments of the session.**
- Develop a strategy to **facilitate the conversation.**
- Confirm that the **number of symbols** to be handed out at each session matches that of the participants in your small group.
- **Test media** equipment before the session.

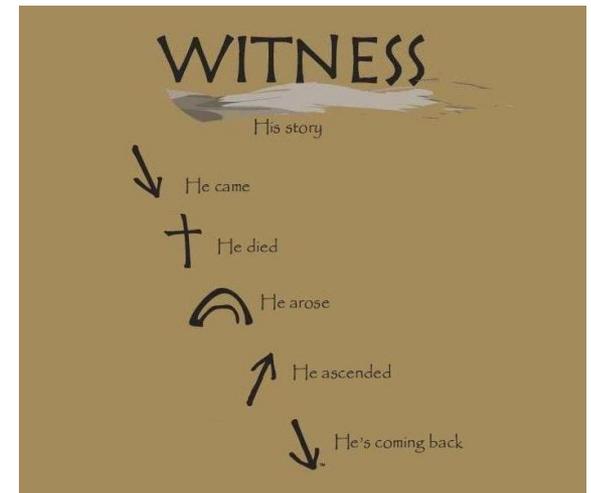

FACILITATOR BEST PRACTICES CONT.

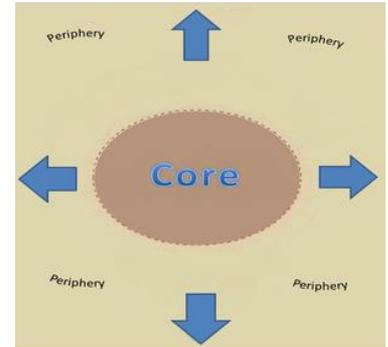

- **Arrive at least 15 minutes before** your small group meets to prepare the sacred space.
- Make sure that the **meeting space is free of interruptions and noises** that will distract.
- **Offer a warm welcome** to every participant in your small group. **Nametags** if needed.
- Make sure that the **interaction among the group is always inviting, welcoming, respectful and affirming.**
- At the first session, **ask all participants for their preferred contact method** (email, text, etc.).
- At the end of each session, **thank all participants, and remind them of the day and time of the next meeting.**

MISSIONARY ACTIVITY

- The **V Encuentro** embraces a spirit of the New Evangelization and the vision of a **Church that goes forth and reaches out.**
- At the **end of each session**, all participants are invited to take part in a simple **missionary action.**
- This action is an opportunity to **witness one's identity as a missionary disciple of Jesus Christ.**
- Also, it is an **invitation to go into the peripheries** of our Church and our society.

THE PERIPHERY?

- Places where our sisters and brothers are vulnerable, excluded, treated as outsiders, living in fear, isolated, ignored, invisible.
- Pope Francis reminds us that as baptized Christians, Catholics must embrace the call from Jesus Christ “to go forth from our own comfort zone in order to reach all the ‘*peripheries*’ in need of the light of the Gospel.”
- Each community, each family, each person must identify the immediate peripheries and then go and meet people there with a message of love and hope in a spirit of accompaniment.
- Many Hispanic Catholics—as well as other Catholics—live in the peripheries of our Church and society.
- We are called to bring the light of the Gospel to all these groups.

12 TIPS FOR MISSIONARY ACTIVITIES

1. Choose your **missionary partner**.
The Lord sent his disciples in pairs (Lk 10:1).
2. If you are **reaching out to people you know**,
contact them in advance of the visit.
3. If you are going to the **periphery**, **engage people in a natural and polite way**, showing authentic interest in getting to know them.
4. **Pray for wisdom** before going to visit someone.
Pray in thanksgiving after returning.
5. **Bring some information** about your parish or faith community to share.
6. Missionaries should not visit or contact minors under the age of 18 without the presence of a parent or adult **following Safe Environment Guidelines**.

 **QUESTIONS?**

God of Mercy,

You that went out to encounter the disciples

on the way to Emmaus,

grant us a missionary spirit

and send us forth to encounter our brothers and sisters,

to walk along beside them,

listen to their hopes and dreams,

rekindle their faith with the fire of your Word,

prepare them to recognize you in the Eucharist

and send them as missionary disciples

to share the joy of the Gospel to present and future generations

of every race, language and culture.

We ask you this from our burning hearts filled with the Holy Spirit,

in the Name of your beloved Son

and through the intercession of our Mother, Mary of Guadalupe

Star of the New Evangelization. Amen.

GOAL OF V ENCUESTRO

- The main goal of the V Encuentro is
 - to **discern ways in which the Church in the United States can better respond to the Hispanic/ Latino presence, and to strengthen the ways in which a united church responds to the call to the New Evangelization as missionary disciples serving the entire Church.**
- The V Encuentro process is a priority activity in the United States Conference of Catholic Bishops Strategic Plan 2017-2020.
- All Catholics in the country are invited to be part of the V Encuentro process.

FAITH SHARING

Being aware of a moment of grace when God touched my life and sharing that with others.

- To encounter Jesus Christ
- To learn to live as a disciple of Jesus
- To recognize, take ownership and reveal to others how God is breaking into our lives and all of history
- To evoke the faith of others
- To build up another
- To better prepare “for our sharing—together in God’s great sharing, the Eucharist.” (Timothy O’Brien)
- To lead us to faith, conversion, community and solidarity
(*Ecclesia in America*)
